THEODORE TURLEY FAMILY NEWSLETTER

Vol. 5 No. 3 July 1963

HOWDY! FOLKS: Here we are again well along into another year with so little to show for it. Seems like there are so many things to be done and so little time to accomplish it all, and yet the sun keeps coming up each morning in the same place and just as bright as before, bestowing its warmth and light upon all mankind - without regard of NATIONALITY, CREED, Or COLOR. How can we so pattern our own lives to match this daily example set for us in our dealings with our fellow men?

After enclosing our mailing list with the last Newsletter in hopes of getting some address changes and some names and addresses of members not included, we were rewarded with quite a few additions to our Member List, but not as many as had been anticipated. Please try going over the list once more and see who you MISS BEING ON THE LIST, then get the information to us. We are again enclosing a self-addressed envelope for this purpose and also for News Items, Changes of Address, Suggestions for Improving the Newsletter, and for Sending any Dues or Money for Research. USE IT!!

1963 FAMILY RE-UNION

Pres. Harvey I. Turley, along with other Family Officers, met sometime in June and decided upon "WOODS CANYON LAKE" as the site for the Re-union this year. It should be easy to get to for those not too familiar with the area. Lying between Payson and Heber on top of the MOGOLLON RIM, it is about 38 miles from Payson and 26 miles from Heber. After leaving Payson, you will find the road sign just as you reach the top of the MOGOLLON RIM - and it is about 4 miles by forest road from the sign.

The date set for the Re-union was Friday & Saturday, August 30th & 31st 1963. There will be a "Talent Show" Friday night. Those who will have "talent" numbers get in touch with George Turley at Holbrook or Frank Turley of Mesa. Everyone should bring bedding and camping equipment, dishes, etc. Bring a lunch or be prepared to cook your own supper Friday evening. Breakfast and dinner will be cooked by committee on Saturday. Business meeting 10:00 A.M. Saturday.

There are no cabins or housing at the lake, but provision has been made for tarps, etc., to insure good sleeping in case of storm. There is an abundance of shade and cool air and water at the lake, also good fishing. This should be one of the best outings we have ever had. The scenery is grand, the roads are good, and the area is steeped in the spirit of Zane Grey and the many novels he wrote about the pioneers of the surrounding country. In case of storm, there is a logging camp close by where we can find shelter if necessary.

NEWSLETTER

This issue of the Newsletter is different - keep sending in suggestions and maybe it can be made pleasing to everyone. We are trying to identify all persons mentioned, as best we can. One way to help is to send in your own Family Group Sheet UP-TO-DATE and any family pictures available, with all persons thereon identified.

We are enclosing a Pedigree Chart for Frances Amelia Kimberley in this issue and will try and continue with one or more Charts in each coming edition. There will be Picture Pedigree Charts WITH PICTURES, available at the Re-union. These will help with your Priesthood assignment and Books of Remembrance.

Some people bring happiness where-ever they go; others, when-ever they go.

Woodruff, June 18, '63

Dear Lawrence:

This report turned out to be quite lengthy, also I found I had to erase in several places. I wish I had time to copy it, but I suppose it is better to send it than to hold it over. It seems that there is a terrific amount of work right now. In fact, it seems I will have to write the Roadshow for our M.I.A. before meeting tonight, and it is 3:15 P.M. I have put it off writing it, hoping someone else would try this year, but it seems they just won't even start.

I received a letter from the lady at Lichfield this morning, saying she had the recent $25 check I sent, also $6 the man at the Diocesan Registry turned over to her (he didn't keep a penny for expenses, although he had written me three times--I am surprised at how much some of the libraries and record offices in England will do for us). She told me her charges and said she thought the $31 should go quite a long way. She apparently lives a few miles away, and so charges a little for fare and time traveling, and also has to pay a fee for each half day of use of the Bishops' Transcripts, and is allowed to call for three sets each half day. Some of this information is new to me, and should help. This woman isn't L.D.S. as far as I know, but we have one who lives at Mansfield in Nottinghamshire who is L.D.S.

Mr. Hubbard asked the other day if I wanted him to go to Lichfield and search the Transcripts there. I had decided to give him work he could do at the library in Birmingham, and not ask him to go to Lichfield. I recall that when Mr. Cotton would ask him to do something in the library there, he would get it done immediately, although he seemed to hate to bother the vicars. Miss Ledger, the lady from London, says some of the vicars won't let folks use their registers anymore--bishop's orders. I suppose the old books are very fragile and I can't blame them for not letting everyone and anyone use them. In fact, we hope they are taken care of until the Church can film them.

So far this year we have had only 87 names cleared for baptisms and endowments, as compared with 897 for last year. There are several reasons for the difference. Most of the names cleared last year were received from Mr. Cotton who died two years ago. After his death, we tried to locate help in England, but didn't find the type of help we wanted until a few months ago. We now have the help of a Mr. Hubbard of Birmingham who did most of the searching for Mr. Cotton in that area. This man is very rea-

sonable and efficient and is sending us reports quite soon after we ask for the searches, although he at first wrote that he was behind with his work because of the severe weather in England.

Also, after waiting for a report from the Bishops' Transcripts for more than a year, we finally received it. In the meantime, we had contacted an L.D.S. lady who lived in the next county, so we now have two women who are making searches for us in the Transcripts, and they both seem to be reasonable, altho' we have had just one report from each.

We used a researcher from London last year but had to wait and wait for reports, mainly because she had to wait for her reports from the parishes. Also, we felt this was proving to be quite expensive. Finally I wrote directly to four parishes and received replies and help from three of them. However, we have found that the Bishops' Transcripts seem to be quite complete, and those for one parish are in the Birmingham Library, so we believe that it will be cheaper to search the Transcripts than to write to the parishes. If any periods are missing in the Transcripts, we can write to the parish for those. Mr. Hubbard has been searching the copies available in the Birmingham Library, and we are very pleased to report that recently he found two new marriages on the Pedigree, which brings the new surnames of GRIFFIN and BETTERTON. These are on Frances Amelia Kimberley's mother's line. We now have a lot of Griffin names on hand.

The Church has asked us to search every parish in a city for 35 years after the marriage of a couple to be sure we have their family as complete as possible. In a large city like Birmingham with at least 10 parishes and several chapelries, that is a big order. So we have many family groups we are holding until we can meet this ruling. I feel we are making good progress, and hope we will soon be able to clear two or three families on the Pedigree.

Before 1905, Birmingham was made up of parishes from three counties or shires. King's Norton, the home of the Kimberley ancestors, was in Worcestershire but within the city of Birmingham. The two new marriages were found at Northfield, close to King's Norton, and also in Worcestershire and in Birmingham. In fact, all we have found on the Kimberley and Yates lines is in Birmingham. The Turley Pedigree extends to Sedgley, Staffordshire, which is 8 miles from the center of the city. We have tried to extend the Turley line beyond Sedgley but have failed thus far. Also, the Kimberley line doesn't extend to the beginning of the parish registers at King's Norton and we have tried to tie it in with earlier families elsewhere, but have found no positive proof as yet.

Besides other valuable information received from research in England is data on Burials at St. Paul of Jonas (bro. of Thomas Kimberley), George Yates (son of Joseph Yates & Sarah Sanders) & his wife Ann, William Turley and his sons, William & Frederick, and also an illigetimate daughter of Theodore's sister Ann.

We are spending considerable money this year, but I feel we are now in a position to at least find many names, and I hope, extend parts of the Pedigree

Conceit may puff a man up, but never prop him up; he is so full of himself that he is quite empty.

We want to acknowledge letters from the following:

Antone Turley (Tillman W. / Alma / Isaac / Theodore)
Lola Turley Tanner (Hyrum / Isaac / Theodore)
Harlan B. Turley (Walter / Edward / Isaac / Theodore)
Esther H. LeVitre (Josephine / Alma / Isaac / Theodore)
Leona McClellan Zundel (David / Esther / Isaac / Theodore)
Louise Peterson Lovell (May / George / Isaac / Theodore)

We don't get to answer all the letters received, but we use some of them as material in the Newsletter and hope that we have not left anyone out -- if so, then it was unintentional, I assure you. We welcome words of encouragement regarding those who are working for the family as a whole and will welcome any constructive criticism in what we are doing and attempting to do.

Dear (Family):

My husband and I have just finished reading the Turley Newsletter. We enjoy them very much and are ashamed that we haven't written sooner to thank all of you good people who make it possible for us to receive it.

I am a daughter of Orrin and Ella Bushman Barker. My mother was a daughter of Jacob and Charlotte Turley Bushman who was a daughter of Theodore Turley.

We have four fine sons and one lovely daughter; all are married but the youngest son, Terry, who will be married this spring. Our oldest son, Robert H., is a Cost Accountant and Office Manager at Bohnam Co., and is a Ward Clerk. Our second son, Orin Dale, has a Masters Degree in Botany and teaches at a high school in Ogden, Utah. He is at present on a Stake Mission. Our third son, John C., is a Tool Engineer - he and three other Engineers have formed a company. They have invented and are making machines to wind fiber glass missle casings. Our youngest son, Terry Gene, has fulfilled a fine Mission to the Great Lakes and at present is finishing his studies at B.Y.U. Our daughter, Florine, is married to Leon D. Nielson who is an Elementary School Principal and is in the Bishopric. My husband is an Industrial Arts Teacher and we are active in Church. Our children are all musical and we have spent many happy hours singing and playing as a family group, as well as for public programs.

We are very proud of our Turley ancestors, and as my brother, Don R. Barker, said in his letter to you, we would surely like to meet with all of you at a Reunion one day.

Sincerely,
/s/ Gladys Barker Anderson

P.S.: Enclosed is money for dues and Newsletter.

Thank you.

Fairview, Utah - April 17, 1963

Dear (Family):

I am enclosing the family organization dues and the amount requested for the newsletter. I found the last newsletter so interesting because of the names and addresses. I found many people whom I know as friends and can now claim as relatives.

I am indeed grateful for the strong family organization which is doing so much genealogy. I am reaching the age where genealogy is becoming extremely interesting and important to me.

My husband served his mission with the Indian people in the Southwest Indian Mission and he, too, enjoys seeing and reading the information in the newsletter. He finds many people that he had the privilege of associating with, although briefly.

My connection with the Turley family comes through Theodore Turley's daughter Charlotte; Charlotte's daughter Ida is my grandmother and as a family we treasure her stories of when the family went down into Arizona to colonize and the problems and difficulties which those hardy, faithful pioneers faced. The family eventually returned to Utah which accounts for our branch being here in the heart of Utah.

My best wishes to you and to the officers of the family organization for the excellent work they are performing.

Sincerely,

(Archibald J. / Ida / Charlotte / Theodore) /s/ Virginia A. Mower (Mrs. Glade W. Mower)

Logan, Utah April 17, 1963

Dear (Family):

I received the Turley newsletter again and I would sure miss it if it was discontinued.

I am the oldest son of Orrin and Ella Barker. My mother was a grand-daughter of Theodore Turley. I married Hazel Henrie in the Manti Temple in 1923. She died in 1954. We had five children, 3 boys and 2 girls. My boys and I run a gas and oil business. The boys are active in the Church. The girls, Eleen Barker Rigby, lives in Bountiful, Utah and is President of the young ladies in Mutual; Bettie Barker Hyer lives in Kaysville, Utah and works in the Sunday School.

After my wife died, I went on a Mission to the Great Lakes area. When I returned, I married a widow from Cache Valley--her name was Enid Bradshaw Wilson and is a very nice woman.

This is a very brief account of myself and I would like to meet you folks some day. I did attend a Turley reunion at Mesa and joined the group at the Temple. I had a wonderful time.

Please find enclosed a check and keep the newsletter coming.

Yours truly,

(Ella / Charlotte / Theodore) Bazil O. Barker

Fairview, Utah - April 28, 1963

Dear (Family):

We are always happy to receive a Turley Newsletter and only wish we knew personally all the members of the family. I am enclosing $12 for dues and newsletter for myself and my mother, Ida R. Anderson.

My mother is the daughter of Charlotte Turley and Jacob Bushman, and the grand-daughter of Theodore Turley. Now in her 84th year, she lives alone here in Fairview. She enjoys working with her flowers & is very cheerful and contented.

We are all active in the Church. I have been in the North Sanpete Stake Presidency for 14 years--seven as President. My wife, Eda, is Stake Theology Leader and Ward Laurel Teacher. Our daughter, Virginia Mower, is Ward organist, Junior Sunday School Chorister, Stake Sunday School organist. Her husband Glade Mower, is Supt. of the M.I.A., district chairman of Scouts, Elders Quorum teacher. They have one son, Scott, born Jan. 2, 1960.

We thank you for the splendid newsletters and wish you well.

Sincerely,

(Ida / Charlotte / Theodore) /s/ President A. J. Anderson

May 3rd 1963

Dear (Family):

Enclosed is a check ($50) for my dues and for the family paper. The balance can be used for genealogical work. I have enjoyed the family newsletter and appreciate the work that all of you are doing in keeping the family together and especially the genealogical work that is being done.

We are all well and working to capacity in Church work and trying to make a living. Our son Douglas is enjoying himself in Switzerland on a Mission. The rest of us are going to school and working in Church, and of course Dad spends part of his time making ends meet.

Best Wishes -

(Hyrum / Isaac / Theodore) /s/ Marion Turley

Salt Lake City, Utah - May 7, 1963

Dear (Family):

I am enclosing a check for my dues in the family organization.

It would be a pleasure to know all of you personally, and I hope that sometime I might have the privilege of attending the reunion.

My husband has relatives in Mesa, Arizona and someday we will visit some of you along with the Brintons.

We have just had a son get married. He will graduate in June from the University of Utah and has been accepted at Harvard Law School. Our other sons are unmarried - their names are Robert, John and Steven.

Thanks again for the Newsletter. I have enjoyed it very much.

Sincerely,

(Ida / Charlotte / Theodore) /s/ Helena Anderson Brinton

Holbrook, Arizona - May 15, 1963

Dear Turleys:

Mom asked me to report on the G.W. Turley activities this morning....she really didn't think I would but I adore fooling people, so I'll try to peck off a few lines.

Dad is just finishing up the City Jail for Holbrook. This has been a real accomplishment, both for him and for Holbrook. He works for the Town of Holbrook....can't think of a title to give him, but if the City Council wants something done, Dad does it. He used prison labor in most of the construction of the jail so he really saved the town a lot of money (I think the prisoners got some free education on building, too). He hopes to have the jail finished by the first of June, then he doesn't know where they'll put him. Since we moved to Holbrook, Dad has been tossed from pillar-to-post on Church jobs. Just when he seemed to get one organization rolling (at least where he was sleeping nights), he would be put somewhere else. At present he is quite involved with the Adult Aaronics.

Mom is doing baby-sitting for the Palmers (Van and Joy) since they took over the A & W Root Beer Stand. This keeps her hopping....literally. She teaches in Primary, Relief Society and is a regular substitute teacher in Sunday School (teaches almost every Sunday).

LeGrande is working as one of the maintenance men at Holbrook High School. I think he quite enjoys it. He is in the Bishopric in Woodruff. Joan is also working for the school in Holbrook, she is one of the cooks at the Cafeteria. They have two children - Todd, 8 and Lean 6.

Korrin drives the Meadow Gold milk truck for this area. Most nights he works in Richfield gas station. They have one girl, Karen 4, and are expecting an addition in July or August. His wife's name is Tazuko (Tā zē ko). She is a Japanese girl and we still get quite amazed at how quickly she picks up American expressions and so on.

LaPrill (that's me) works at the County Extension Office. I keep involved with 4-H, Farm Bureau, Rural Development and youth work in the Church.

Genene (16) is still plodding through High School and she keeps everyone driving her places for FHA, Pep Club, Drum Corps and what-have-you.

Kathy (14) will be graduating from the 8th Grade this year. She's been the more talented one of our bunch....she keeps herself occupied with the piano and artwork. This year she accompanied the choral group in Junior High School (accompanied on the piano, that is).

Helen (12) will soon be 13 and I really think she is looking forward to becoming a 'teenager'. She is in the 7th Grade and really gives her teachers a tough time.

Barbara (8) was baptized in August of last year and brings up the rear of the G.W. Turley family. She's the baby and everything that goes with that.

We surely enjoy getting the family letter and I might mention that I'm using parts of Theodore Turley's life story in teaching my Sunday School class....it really brings out some of the parts of the development of the Church.

As I was reading over the long, long list of names and addresses, it suddenly dawned on me...we're really going to have a big family reunion when we get on the other side.

Enclosing a check; use it where it fits the best.

Love to all our relatives,

(Hyrum / Isaac / Theodore) The George W. Turleys by LaPrill

(NOTE: (probably from 'Mom') - We think of you-all often. Wish I knew more Turleys - They're all so grand.)

Salt Lake City, Utah - May 21, 1963

Dear (Family):

I am enclosing a check to bring my dues and newsletter cost up to date. I read so many relatives' letters who express their "thanks" for all you are doing as an organization and I send my appreciation to you all also.

We are all well and happy. I have been serving as a Counselor in the Parley's Ward Primary this year. Jeff, my husband, is Elders' Quorum President. Our family of six children are also active in the Church.

This past year we have had an American Field Service Student from Malaya living with us. He is a senior at Highland High School (my oldest son, Nick, is a Junior). This has been a most interesting experience for the whole family.

And speaking of interesting experiences, our family is planning to spend one year in the Middle East, (Iran, Kuwait, and Turkey). We will be leaving on July 7th. My husband will be serving with the State Dept. in Washington, D.C. as an education consultant. Needless to say, we are busy and excited making all necessary plans.

I hope this letter finds you all in the best of health. Thanks again --

Sincerely yours,

(Anna / Isaac / Theodore) Alberta Eastmond

Dear Turleys -

I guess I had better write a few lines to let you know where I am and what I know. I don't know much. I do know we are about drowned out with rain. Things look good around here but the farmers are having a hard time to harvest their hay. They have a bumper (of a) crop - & no matter but it is so wet they can't harvest it. Dry farm wheat is waist high & still in the boot.

My family is OK as far as I know; Thad is going to school in Provo, Teddie is in the Navy, the rest are in Phoenix,

Our garden looks good and what nice strawberries. Come up and have a taste. We gathered a crop - which is the 4th since they started to bare, they are such nice big ones. Well I guess this is all from

Mabel & Ivan

Millbrae, Calif. - June 30, 1963

Dear (Family):

For a number of years we have enjoyed receiving the family letter, and for an equally long time we have failed to say so. Nor have we made any contribution toward the defrayment of the costs involved. Please credit my long delinquent account for the amount enclosed.

For the benefit of some who may not know what has happened to me since the War (World War II), this bit of information may be of interest. I married Marcia Hunt of Snowflake during the War, and since that union, we have been blessed with three lovely daughters.(Ronna Lynn 15, Camille 12, Lesli Ann 6).

After the War I attended the U. of Utah where I graduated with high honors in Botany and continued graduate work for 2 additional years. Not choosing to teach for the low wages they pay in Utah and not wanting to leave Utah, I went into business for myself (Service-Station - Garage). After eight years of grease and grime, I finally persuaded my wife to leave Utah and seek a teaching job in California. Fortunately I was successful in getting a job the first year at South San Francisco High School where I taught Science. The next year I moved to a larger and better school here in Millbrae, one block from our home, and have taught Biology there for the past four years. It has been my pleasure for the past 3 years to help develop the new BSCS biology courses for high schools.

My wife, Marcia, is President of the YWMIA and I teach the Adult Aaronic fellows.

We hope some day to attend the Annual Reunion. Thanks so much for sending the letters.

Our best to all of you,

(Hazel / Alma / Isaac / Theodore) Lester Heward

July 1, 1963

Dear (Family):

Thought I'd write yesterday, but after Mama & Melvyn left, I just didn't feel up to it. The month of June flew by - School let out the 31st of May and the next Friday Monte & I left for Education Week at B.Y.U. We spent our first night in Fredonia visiting my sister, Ivis Farr & family; then she accompanied us on to Salt Lake where she spent the week with her daughter, Adele, who is employed there. Our second night was spent enjoying a visit with Aunt Beth & Uncle Irn Moon and Lucile & Que Steele at Orem, Utah. Monte was glad to meet his relatives, and was curious to know how many cousins he had. To save face, I only counted the first cousins. The week at the "Y" was a wonderful experience to share with my oldest son.

Upon our return, Esther's three older children had accompanied Melvyn home from a business trip to Phoenix and stayed a week with our five kids. Needless to say, the 8 cousins had lots of fun which included a trip to Jo City Dam as well as a climb up Woodruff Butte and a hamburger fry at the Turn-Off.

When Melvyn had to return to Phoenix (the continuation of a trial), the kids went with him. Mama (Hortense McClellan Fuller) came back with him for the week-end. Now they are both gone again, but it was nice to see them both. That takes care of my news - now for others:

Raenell DeWitt Hager (3 dau. of Martha T. & Malcolm DeWitt) reports that husband, Paul, doesn't care if he sees rain again. He is now in Viet Nam with the Air Force Medics. We'd like him to send us some rain.

Merwin & Diane DeWitt (son of Martha & Malcolm) are leaving soon for a trip to Missouri. Martha, his mother, may go with them as far as Amarillo to see Betty & Gayle, her daughters.

Lorraine Heward (3 child of John Edwin Heward Jr. & Beulah) has signed a contract to teach at J. E. Manch Elementary School in Las Vegas, Nevada, this next year. She graduated from the "Y" and will instruct 4th graders.

Beryl Heward Fisher (also dau. of John Edwin & Beulah) had major surgery performed in Cottonwood last Friday and is recuperating nicely.

Rosetta & Darrell Brinkerhoff (6th child of Rhoda T. & Levi Brinkerhoff) are enjoying their own home - though I'm late in reporting their move.

Zella Turley (widow of Isaac Wesley Turley) returned to Salt Lake with her daughter & husband, Dr. & Mrs. Charles Monson, after their visit. According to plans, she'll stay a month.

Levi & Rhoda T. Brinkerhoff won't have fond memories for Prescott as he suffered a stroke there last week during a visit with their oldest daughter, Leila Ratliff.

Everyone in the Charles & Ann Turley family is making preparations for a family reunion this week-end. What fun is in store for them when Alma & Lloyd Heaton arrive from Alton, Utah; Verdell & Roger Button come from Mesa; Orson & Elaine Rogers drive over from Jo City along with Frank & Teddy Val and Norman & Mildred from Holbrook---each taking their brood to grandma & grandpa's.

Excuses weren't needed for Tillman & Leila Turley to go to Salt Lake as they wanted to meet their son, Anton, upon completion of his Northwestern States Mission and attend June Conference.

As for Leora & Nolan Kartchner -- they are enjoying a visit from Leon's three daughters.

The annual report on Little League & Babe Ruth Leagues finds every Turley descendant who aspires to the teams on one. Only two more weeks and the season is over for another year. The boys are scattered on the 8 teams with Joe City Wildcats and Babbitts Phillies each having 3 apiece.

Only two more children at home for Dicie Willis after August 27, as John is marrying Marian West in Showlow that day.

If this gets in the mail today, I had better close and rush it up. Keep up the good work!!!

Sincerely yours,

(Hortense / Esther / Isaac / Theodore) Madge F. Shelley

Joseph City, Arizona - July 2, 1963

Dear (Family):

I'm slow getting this off to you. I fully intended to get it off the last of June, but then I had company and so didn't make it. Hope it isn't too late.

Christine Turley, daughter of Floyd & Olive Turley of Woodruff, was the Valedictorian of Holbrook High School at Graduation Exercises in May. She also received the Whiting Scholarship Award of $500.00 check; an English Award; an Award at Tucson for outstanding Dramatics; was Drum Corps President; chosen the "All-around-Girl"; received the 4-H Scholarship; 2 scholarships at Arizona State University--one for tuition and books; and a $1000 National Scholarship from the National Association of School Building Maintenance Officials for the children of Maintenance Superintendents. Then about a week following this

happy time, she underwent a tonsilectomy and came too close to death, due to an unfavorable reaction to drugs. She turned blue and doctors worked about 3 hrs., keeping her awake, to save her life on June 7th.

Richard Heward received the Franklin Udall Memorial Award, for music, and he also was one of those chosen to go with the United States High School Band on a tour of this country and down into Mexico this summer; about a six-weeks' trip in all.

From the Charley Turley Family: Frank Turley was released from the Stake Mission, June 23rd. He was an outstand missionary and will be missed. Orson and Elaine Rogers went on a business trip to Phoenix and Kingman the middle of June, taking four days. Their 3 children, Sandra, George & William, stayed in Woodruff with their grandparents.

Normon & Mildred Turley went to Salt Lake City to attend the wedding of a girl who was converted to the Gospel by Mildred when she was in the Mission Field. Charles & Ann went along on the trip and visited with Bro. Turley's sister Hazel Heward and family in Salt Lake. They also visited with Francis Turley --son of Zella Turley, and his family in Ogden, Utah.

From Aunt Electa Turley's family: Gary and Thelma Morris left July 2 to go to Hollywood to hear the concert of the United States High School Band. Their son, Richard, is a member of that group and is going on a 6-weeks tour with it. They are to perform in Hollywood Bowl July 3rd, in Las Vegas, Nevada, July 4th, and Salt Lake City July 5th. The tour will wind up in Mississippi, and Richard Morris and Richard Heward (I'm not sure about the Heward boy) plan to return home with a teacher from Holbrook High, Mr. Serios and sightsee along the way, making the trip last another week.

Aunt Electa visited in Gallup, N.Mexico during the 3rd week in June, with her son, Robert and his family. And by the way, Aunt Electa says she doesn't receive the Turley Newsletter--her address would just be Joseph City, Arizona.

Stanley's daughter, Stenna and husband and 2 children visited with Aunt Electa a short time on their way to Illinois, where he will teach in the University of Illinois.

Marge Kircher's son, Bob and wife went through the Temple June 29th, unless something came up to prevent them.

OTHER ITEMS: Florence Payne Black (Mrs. Huston Black) was buried June 17th in Holbrook, Ariz. She was living in Hobbs, N.M. at the time of her death. Her son Merrill (Butch) with his wife and family attended the funeral. He was on leave from Air Force in North Carolina. Florence's parents, John and Goldie Webb and all their children were at the funeral, as well as John Webb's brothers and sisters. Hartley and Ora Turley from Tucson attended the funeral. (He and Goldie were brother & sister and children of Uncle Joe Turley.) Many Turleys attended the funeral as well.

Robert Turley, son of Harvey & Dora, was made Scout Master of the New Ward recently organized in Phoenix. He plans to take the Scouts out to Camp Geronimo in August. His oldest son, Robert, is a Scout, and also was ordained a Deacon on the first part of May.

Jay Turley was released as Branch President of the Indian Branch in Holbrook, and the first part of May was sustained as Ward Clerk of the Joseph City Ward.

Arland and Gloria Turley (son of Harvey & Dora) are signed up to teach school in Safford this coming year. Gloria taught 4H last year and all her girls won blue ribbons at the 4H round-up.

Mary (dau. of Josie Turley) and Jack Pickett went to Globe over the week-end to visit with Thoe. Spurlock. Their daughter Joann Mosier has a new baby boy, born April 1st, and named Darrell Floyd. The Hershel Mosiers live at Page. Catherine Pickett is visiting with them, plans to stay two months. She is taking swimming and music lessons while there.

Mary reports that Aunt Josie is feeling badly at present. Also, her husband Jack is suffering from stomach ulcers.

Student Body President, Lynn Bates, accepted a Merit Cup Trophy at the Prescott High School Awards Assembly. He was selected on the basis of Service to the School and Academic Achievement; also won a $250.00 Scholarship, presented annually by the Prescott Elks Lodge. Lynn is the son of Theodore and Rita Bates, and grandson of Lucy Turley Bates of Chino Valley.

Another grandson of Lucy's, Greg Roman, son of Kathryn of Arnold, Neb., was chosen to represent his High School at the United Nations Meeting this summer. He is a Junior.

Lucille B. Bunker and her mother Lucy Bates visited at the home of Roberta T. Tanner in Winslow a short time, on their way to take a load of girls up for some camping at the Girls Lodge near Lakeside.

News from Arthur & Roberta Turley Tanner's family (dau. Theodore & Mary Turley): Shirley & Leonard Diercksen & 4 children plan to visit in Winslow with Shirley's parents around the 4th of July, then go on to Iowa to visit Leonard's father.

Marna & Cecil Mealy and 2 children plan to fly to Chicago, then go on to Detroit and get a new car and then visit Cecil's grandmother back in that part of the country sometime this month.

Fontella & Richard Randall's dau. Betty graduated from High School this year and dau. Doris from the 8th Grade. Their son, Bill, is enjoying his mission in Scotland. Son Kent is on Manouvers with the Navy for several months. He has already been to Tokoyo and Korea and several South Pacific Islands. Son Robert and wife Pat and daughter visit the Randalls occasionally. Robert is employed at the Snowflake Pulp Mill.

Floyd Elwyn Bushman and Karen Beryl Mish were married in the Arizona Temple on April 19, 1963. A Reception was given in their honor that night in Mesa, Arizona, and an Open House was held in Joseph City, April 26th at the home of his parents, Elwin & Genevieve Bushman. The newly-weds have gone to Provo where Floyd has enrolled in the summer session of school.

Arthur Bushman went with the Explorers from here over to Long Beach, Calif., where they were permitted to go on board the USS Mathews for a short cruise. They also visited Disney Land and had a very enjoyable time. Other Turley boys to go on this trip from Joseph City were Jack Pickett Jr. & Craig Morris.

Elaine Bushman went on a rim to rim to rim hike of the Grand Canyon with the Joseph City Explorers, and they went on to make it a 50 mile hike. Also going was Jack Pickett Jr. of the Turley Clan. They received awards for 50 mile hike as well as the rim to rim badge. They were glad to get home, but reported a very nice trip.

Laree, daughter of Elwin & Genevieve, enjoyed her year at BYU, but is home for the summer and is working at the Court House. Son Darrell, in El Salvador on a Mission, thinks it is a wonderful opportunity for him and hopes he is doing his best in the work of the Lord.

Blaine and Jeffrey Bushman spent a week at Buck Springs with the Scouts and came home tired, dirty, but happy. Blaine went another week end on an Order of the Arrow Service Project. They dismantled the camp as they have a new camp for the coming years.

This is what I have collected. You feel free to cut it down, reword it, or leave out anything that you want to.

We were sorry to hear of the death of Lola Turley, it came as a surprise as we'd heard of nothing of any illness. Our sympathy and love are extended to Cousin Marion at this time.

Surely do appreciate all you do to keep the Turley Family organized and hearing from one another.

Sincerely,

(Roberta / Theodore / Isaac / Theodore) Genevieve

"Conscience is the voice of God in the soul."

Four Vice-Presidents of our Turley Family Organization were asked to give a brief sketch of their life so that our family members would know something about them if not already acquainted. The following is what has been received:

My name is George Washington Turley. I was born in Old Mexico on Jan. 18, 1910. My mother was Pearl Sevey, and my father was Hyrum Turley. I was named after my grandfather, George Washington Sevey, who in turn was named after his father. I imagine it would be interesting to find where and why the Washington got mixed in.

I can't remember much of Old Mexico as we came out when I was about 3 years old. I can just remember a little of how very uncomfortable the train ride was, with so much dust and wind we all got bad sore eyes.

I mostly remember our early days in Woodruff--carrying water, hoeing weeds, hauling wood, etc. How muddy the river water was, how we would dip it into tubs and barrells and let it set to settle the mud so it could be used for household purposes. Our big family lived in 2 rooms most of the time. Milking cows and driving them on to the hills to graze - then hunting them again at night, which oft times was a disappointing task. We lived through the heartbreak years in Woodruff. So many expensive dams went out, leaving the crops to burn. Then a dam was built above the troublesome Colorado. Then the costly ditches would wash out, along the river, with the same heartbreak. But taxes went on just the same.

I married Pearl Gardner in the Arizona Temple, Oct. 23, 1929. We had 2 boys, Leo LeGrande and Korrin Eugene - and five girls, LaPrill, Genene, Kathryn, Helen Colleen, and Barbra Pearl. We also had 2 girls stillborn.

I was called in the Bishopric while in Woodruff. I served for 7 years with Bishop Melvin Gardner, and Levi Brinkerhoff. We were assigned the task of building a chapel--the first Woodruff had. As 2nd Counselor, it fell my lot to see this was accomplished so I quit my job and by the Lord's assistance we completed it, all with home labor; we even made our own cement blocks and even our own pews. We dedicated it in May and we moved to Louisiana in August, so didn't get to enjoy it long.

When I was set apart by Apostle Henry D. Moyle, he set me apart as Bishop. After he was through, he said he hadn't made a mistake, he didn't know where or when, but he knew I would be asked to be a Bishop, and for me to tell them I had already been interviewed and ordained. Seven years later we moved to Louisiana. While there, the Church organized the Shreveport Stake. At the time I was managing a large cattle and cotton ranch for my brother Marion. It was 30 miles from the small branch we were attending in Natchitaches, La. Apostles Harold B. Lee and Spencer Kimball were out. In the afternoon session while Apostle Lee was reading the organizing, he said, "We are organizing the Natchitoches Branch into a Ward, and making George Turley its Bishop". What a blow! We had only been there a short while and knew very few people. It was such a shock, those around me said it sounded as if someone had knocked the wind out of me, then Apostle Lee continued, "If Bro. Turley is in the audience, will he please stand, and if he raises his right hand, we will know he accepts". The Lord works in mysterious ways His wonders to perform. I can never forget how long and hard these Apostles worked to get the Stake organized. Their arms were so tired ordaining they had to get other people to hold up their arms for them to continue. I soon found out I had a real job on my hands, as they had had very poor leadership, and dissention was strong. There were memberships of people there who had been dead 10 years. Again I was given the task of building a chapel. This congregation was by far mostly women, widows, and wives of non-members. But the Lord still answers prayers. I was given the help I needed any time I needed it, financial or otherwise. So we established a record of building, paying for and dedicating a $109,000 Chapel, no recreation hall, in a matter of ----- months.

Things didn't pan out for us in Louisiana financially, though the spiritual experiences and friends we made there are invaluable; but so far from church, on a ranch was no place to raise 5 young girls. We had many faith promoting experiences while there. It was Uncle Teed Turley (Theodore on the records) who organized the first Sunday School there, then many years later I was their first Bishop.

I had a Patriarchal Blessing before going out there. He told me there were people out there waiting for me. It seemed crazy, but it was true. He said every member of my family would be the same as on a Mission. We lived among true Southern Baptists and French Catholics. They had the usual ideas about Mormons. When we left, they said they would even listen to our Missionaries, which wasn't so before we became their friends. We saw the devil in many forms try to get rid of us, and to thwart our efforts, but the Patriarch had promised us if we kept prayer with us, he would have no power over us. It was all literally fulfilled.

At present I am employed by the City of Holbrook. I use the prisoners to do any City work. I get quite a few chances to do missionary work here. At present we are putting the finishing touches on a large City Jail - with J.P. Court and City Offices all combined. I've done it without any Federal or State or County help, and very little out of town help.

I am still active in Church work, as is most of my family. I believe I have held practically every position in the Church, on the Ward level, but Relief Society and Primary. Sometimes I think they had me in mind when they coined the phrase: "Let George do it!"

Dear Lawrence:

I hope this isn't longer than you wanted. When I get to going over the past I sorta' get carried away. We trust all is well with all of our Turley relatives, and send our best regards.

Always,
l/s/ George

I, Ted Roy, was born in Mesa, Arizona on Dec. 5, 1935, with a Royal Pedigree to go with my good understanding - "a big Turley foot". My mother was Hazel McClellan and my father, George Merrill Roy. Esther Turley McClellan is my grandmother and I was named Theodore for her grandfather and Victor for my grandfather Roy. I will touch only briefly on a few high-lights of my life thus far.

In Dec. 1952, I won an all-expense-paid trip to Chicago where I attended the FFA National Convention and participated in a national symposium, and talked over the radio there. Soon after this, I was awarded a nice wrist watch for winning First in State 4-H Insect Collection.

In May of 1954 I graduated from Seminary, Missionary Training and Mesa High School.

In Sept. of 1954 I entered Arizona State College in Tempe where I continued until Jan. of 1956, when college days were postponed to serve a Mission for the Church. I left Salt Lake City April 18th for Atlanta, Georgia to serve in the Southern States Mission. I returned home in May 1958 and rosumed studies in Summer sessions at ASC.

Nov. 21, 1958 Anamarie Johnson and I were married in the Arizona Temple. Our little Steven Curtis was born Dec. 25, 1960 in Mesa.

It was a long, hard, steady grind, but I finally graduated from ASU in Jan. 1961. Then I taught Seminary the 2nd Semester for Max B. Cox while he worked on his Ph D. I began teaching Industrial Arts in Sept. 1961 at Loloma School in Scottsdale where I have remained to the present.

I was ordained a Seventy in June 1961 in Maricopa Stake, and have been serving as Ass't. Chairman of the Stake Genealogical Committee for about two years besides other Church activities & assignments.

Aug. 16, 1962, little Douglas Allen came to bless our home.

Besides the activities mentioned above, I am a Qualified First Aid Instructor and Civil Defense Instructor. I've had a great deal of special courses in CD in Battle Creek, Michigan; Los Angeles and Alemeda, California, as well as locally. I enjoy climbing mountains, exploring caves, and do some rock-hounding. At present I am a member of: National Speleological Society, American Camping Ass'n., Arizona Mountaineering Club, State Radiological Defense Staff for Civil Defense, Consultant to State Dept. of Public Instruction - Office of Civil Defense, State Civil Defense Rescue Unit, and am also actively connected with the Arizona School of Tutoring.

Hello Turley Folk:

It's just fifty-one years ago the fourth of this month (July) since I became part of the Turley family. I saw my dream boy (Isaac) assisting with the Sacrament about six months before I met him. I lived in Colonia Dublan, about 18 miles from Colonia Juarez where he lived. Cars in those days ran a little slower than they do now--of course, they ran by four legs instead of four wheels as they do now, hitched to a buckboard. We, now, would think they were odd looking cars. I had gone up to Juarez to find a place to board while I attended school at the J.S.A., but when I saw that dear old Dream Boy, I almost forgot what I went up there for. I became very interested in school, and sometime later I met him at a costume ball. A few months later I became his bride.

I hope with all my heart that I will keep myself worthy of the Turley name--that I will ever be as willing to respond to the call of the Priesthood as my dream boy seemed to be when he was younger, and as he has been since I married him. Throughout our lives together we have had our "ups" and "downs", but have had more "ups" than "downs".

We were blessed with four fine children. We were not privileged to enjoy our fourth one, for he was "called back", and has been a beacon-light to guide us to an eternal home, which we hope to gain. Our two boys, Melvin and George, and our daughter, Viola, have been great blessings to us, as all children are to their parents. Our boys were called to fill Mexican Missions. Viola and her husband, D.V. Haws, spent six years in Mexico City where they were called to direct the Sunday Schools and Primaries of the Mexican Mission. They were all successful in the work they were called to do. Though we only raised three children, we are grateful to say, "que por tres hijos tenemos la bendicion de tener veinte y tres nietos".

Melvin and LaRee (Cluff) have ten children. George and Retha (Shupe) have five, and Viola and D.V. have eight. Melvin and LaRee have two sons on missions---Ronald is 2nd Counselor in the Central American Mission in Guatemala, and Maurice is District President in the Chilean Mission. Their daughter LaReen and her husband, Larry Haymore, have a baby girl. Larry graduated from Arizona State University and will teach this fall. Melvin and family live in the Snowflake area. Melva is attending Beauty School in Mesa.

George and Retha graduated from the Brigham Young University last spring. He is now Superintendent of the Juarez Stake School System, and Retha teaches in that school system. Their two oldest children, LaVaun and Arlene, have been attending the B.Y.U.

Viola and D.V. just came back from Baltimore, Maryland where he received further Medical training at the Johns Hopkins University Hospital. D.V. has another foreign medical examination to pass before setting up his medical practice, in Mesa. Their oldest daughter, Glenda and husband, Robert Nyle Brady, have one son and are expecting the stork again next month. They are living in Ithaca, N.Y. where he is studying toward his Ph.D. Viola's oldest son, Virgil, has been very ill for some time, but is improved. Mary will be a Junior next year at the "Y", majoring in music. Mark is a Freshman at Ariz. State Univ.

We were surely made to feel a nearness to our Heavenly Father's home, at the passing of our dear sister, Lola, at 11:00 A.M. on Saturday, June 29th.

Dear Nephew Marion:

We pray that peace may come to you in this time of sadness, caused by the passing of your lovely Lola. As you ponder over her wonderful accomplishments while here on earth, may you have the assurance that her noble name is written in the autograph of God (or book of life).

There is no death for such as she, 'tis but with an abated breath she has crossed a strip of sea, where she will find her loved ones waiting on the shore.

May you be comforted, dear Marion, as you contemplate meeting such a dear, considerate companion, with whom, through the Holy Priesthood, you may together reap and enjoy the blessings of Eternity.

With Sincere Sympathy,
Uncle Isaac and Aunt Ida Turley

V. HIS MISSION TO ENGLAND - Activities in England (Cont'd.):

"Mr. Rose: To what persuasion do you belong?

"Applicant: To the Latter-Day-Saints, who have lately been sent by God.

"Mr. Rose: Have you been sent of God?

"Applicant: Yes, sir.

"Mr. Rose: I think there are plenty of Churches and Chapels in this neighborhood without licensing fresh places.

"Applicant: With great modesty. Yes, but God does not seem to approve of them. The magistrate not appearing disposed to argue the point, with the young man the matter dropped, now look out.

"April 26, 1840---This day I feel cast down my mind heavily burdened with various reflections. I know not how to act, far from home and means to employ a Lawyer or to compromise and above all, this may have a tendency to lessen me in the estimation of the Saints, but I appeal to the Court of Heaven and to that only can I depend. This evening a Mr. Penldurst preached to the people here on the love of God, pleased most of them well. There is also a Methodist preacher came in last Saturday. The Pharacauk principles are devestable. I pray God to ask according to His will in all things. I wrote to Elder Cardon. God bless my wife and children. Amen.

"April 27, 1840---This morning in good health, thank God, but I can not help saying I long to be out of the Hell and in the field of labor. I wrote some of the debtors the first principles of the doctrines of Christ. I preached this evening again the people are severely tied by the Devil to keep them from the truth. I pray God to bless my efforts.

"April 28, 1840---This day I have written a letter and seen my worthy Bros. George A. Smith and Willard Richards. They came to see me at Stafford Prison. I hope in the God of my salvation he will deliver me out of this place.

"April 29, 1840---This day spent in writing and reading.

"April 30, 1840---This day spent in practicing shorthand, sent a letter to Parley P. Pratt."

(On the 30th Elder Richards visited with Elder Turley.)

"May 1, 1840---This day spent in practicing shorthand. I pray God to grant me grace to do His will. I do hope to hear from my Bro. John.

"May 2, 1840---I received from the Saints of Lane End some provisions and a letter from Sis. Bromley. I wrote her a letter. I received a letter from Bro. George A. Smith, one in shorthand.

"May 3, 1840---Sunday this morning I wrote a letter to a Rev. W.I. Shaw of Sheffield, making known to him the principles of the religion of Jesus Christ, as known by revelation. I wrote a letter to Mr. Padock. I this day feel seneable of my imprisonment. I long for the time when I shall lift up my voice to the inhabitants of this land to warn them of the things that are coming upon them and the necessity of repentance. This afternoon I received a letter from Bro. John Turley stating that he had been busily engaged for my deliverance and that there is prospect of my release. I wrote him a letter.

"May 4, 1840---Monday morning wrote to Bro. Cordon Berslem Staffordshire Potteries. The address for Elder Hod lock--Mr. John Sanders, Marchant, Alston, Cumberland. Spent most of the day in studying shorthand."

On May 4, Brigham Young wrote to George A. Smith, "I was glad to hear that you went to see Brother Turley. I meant to have stopped to see him but it was otherwise. I shall write him soon, I expect." [71]

"May 5, 1840---This day I have written part of the system of shorthand, and in conversation on the Kingdom of Christ. Still in prison.

"May 6, 1840---This day I have a letter from Bro. John stating he expects my discharge from this place tomorrow. Thank God for that. I wrote a letter to him, also one to Elder Woodruff. I received one from Bro. Bradbury in Burslem.

"May 7, 1840---I spent the day as though I had nothing else to do than meditate and reflect as tho the Lord would give me deliverance soon."

On May 7, Brigham Young wrote to Joseph Smith: "Had any of us better come back this fall? I suppose that some that come over with us will return; Brothers Clark and Hodlock and Brother Turley if the latter gets at liberty. I suppose you have heard that he is in prison. He has been there ever since my arrival in England, and how long he will remain the Lord only knows. He was put there through the influence of a priest, as nigh as I can learn, for some old pretended claim, but no one can find out what that claim is...I have just received a letter from Brother Turley, which states he expects to leave his place the next day." [72]

May 8, 1840---This morning I rose early. Pleased with a dream. My little daughter came to me and said, Papa, Papa, I am glad to see you. From various impressions, I shall be delivered from this. This day at 8 a.m. I received the information that my discharge was come while I thank God for this blessing. I had taken the coach for Lane End and arrived at Bro. John Whittiker. Then went to Bro. Thomas Ameston's and then walked to State in company with Sis. Ameston. Saw the saints in Stake. They were so delighted to see me restored. I slept at Bro. John Rowley's when there a number of the saints came to see me. Slept in company with Bro. Smith. Laid hands on Sis. Elderson, she being sick."

Joseph Smith says, "Elder Theodore TTurley was released from Stafford jail, where he had been confined since his arrest on the 16th of March last, at the instigation of John Jones, a Methodist preacher, on the pretense of a claim arising under a partnership with another man fifteen years ago, before he left England; but the real object was to stop his preaching. He was without provisions for several days, but the poor saints in the Potteries, on learning his condition, supplied his wants, some of the sisters actually walking upwards of twenty miles to relieve him. He preached several times to the debtors, was visited by Elders Woodruff, Richards, George A. Smith, A. Cordon, and others, and was dismissed from prison on his persecutors ascertaining their conduct was about to be exposed. This rather encouraged than disheartened the Elders, as I had told them on their leaving Nauvoo, to be of good courage, for some of them would have to look through grates before their return." [73]
